My dear Forman,

I'm shockingly
puzzled over some points in
the Idylls!

Also, I cannot find
a copy of the "thick foolscap 82
volume", dated 1869, price 12/-,
containing 8 Idylls [Lit.

Anecdotes, p. 247], although
Cobell has been advertising for
it for me. Can you lend me
yours for a day or two? If so
I should be very grateful if
you would post it to me. I
want it badly. Curious that it
should have become scarce!

Thanks in advance.

Mr. J. L. Baird has given me

Some interesting information;
once more truth is very much
stranger than fiction.

Forgive pencil &
scrap of paper.

Yrs ever

Tom White
